2. Cricket Australia wants to remind fans around the country that the only way to ensure they receive legitimate tickets at the official sale price is to purchase via our authorised ticketing agencies, Ticketek and Ticketmaster (excluding Ticketmaster Resale).
3. Fans who purchase tickets from unauthorised resellers risk paying too much and having their tickets to matches cancelled, which is why it is important to only purchase from Cricket Australia's authorised ticket agencies.
4. As a reminder, the resale of tickets at a premium is a breach of the Ticket and Entry Conditions, and consequences of such breach could include:
- (a) cancellation of all affected tickets without notice; and/or
 - (b) being refused admission to, or evicted from the venue, without refund of the ticket price or compensation of any kind.
5. In addition, the resale of Tickets in certain circumstances is governed by Ticket sales legislation in each state and may attract criminal penalties.
